Florida Virtual School® Announces 2017 Principal of the Year

Orlando, FL (Jan. 24, 2017) – Florida Virtual School (FLVS®), a statewide public school district in the state of Florida, recently announced the FLVS representative for the 2017 Florida Department of Education’s Principal Achievement Award for Outstanding Leadership. Representing FLVS as Principal of the Year is Sarah Sprinkel.

Sprinkel, principal of the FLVS Elementary School program, will compete against her peers from school districts across the state. The Florida Department of Education’s Principal of the Year is chosen from district nominees by a selection committee. The award recognizes exemplary principals for contributions to their schools and communities, and honors those who have spearheaded initiatives to increase student performance and promote safe learning environments.

“I am honored to represent high quality educators and believe the principal is the ‘head teacher’,” said Sprinkel. “I love learning and I am always teaching and learning. I enjoy working with students, families and educators who want to ‘be their best.’ My role at FLVS is to find the best in everyone I touch, and I am delighted to work in the virtual world.”

Sprinkel is a resident of Orlando, Florida.
