### **Florida Virtual School® Announces 2018 Teacher of the Year**

**Orlando, FL (Jan. 26, 2016)** – Florida Virtual School (FLVS®), a statewide public school district in Florida, recently announced the FLVS representative for the 2018 Florida Department of Education-Macy’s Teacher of the Year award. Representing FLVS as Teacher of the Year is Lisa Ullmann.

Lisa Ullmann, lead instructor at FLVS, instructs students in Pre-Calculus, Calculus, and AP Calculus. Ullmann has a Master of Education from the University of Florida in Mathematics. She will compete against her peers from school districts across the state to be recognized as the Florida Department of Education-Macy’s Teacher of the Year.

“For almost 20 years, Florida Virtual School has delivered high quality educational opportunities to Kindergarten-12 students, families, schools, and districts,” said Ullmann. “The relationships that I build with my students allows me to not only teach, but to mentor. Together with parents, schools, counselors, teachers and staff, we are transforming education one student at a time. I am proud to work for Florida Virtual School and extremely honored to represent my FLVS family and community as the FLVS Teacher of the Year.”

Ullmann is a resident of Jupiter, Florida.

***About Florida Virtual School***

Florida Virtual School (FLVS) is an established leader in developing and providing virtual Kindergarten-12 education solutions to students all over Florida, the United States and the world. A nationally recognized e-learning model and recipient of numerous awards, FLVS was founded in 1997 and was the country's first, statewide Internet-based public high school. Today, FLVS serves students in grades Kindergarten-12 and provides a variety of custom solutions for schools and districts to meet student needs. For more information on FLVS, visit [www.flvs.net](http://www.flvs.net).
